SERA English study guidance

## EXPERIENCE

2022

**IDN HSI | Purworejo**

**IDN Teaching**

We teach them about application UI design, namely by creating a Travel App where this application is made to make it easier for users to book and search for destination tickets for holidays.

2022

**48th Muktamar Fair | De'tjolomadoe**

**Facilitator**

At this festival we were ordered to show our project of IDN children, the Middle School works were in the form of Games from Scratch, Robotics, while Vocational High Schools were in the form of Application UI, Web UI, Websites, and MTCNA Books.

2022

**Weekend Tech Talk Series | IDN Boarding School Solo**

**Facilitator**

Being an facilitator in an online webinar with the title "Make a UI using Figma"

2022

**Juara Android**

**Participant**

You'll learn basic Android programming, including creating beautiful layouts, architecting navigation, and so on

2022

**Hacktober Fest**

**Participant**

Hacktoberfest is all about giving back to those projects, sharpening skills, and celebrating all things open source, especially the people that make open source so special.
