PROFILE INFO

Introduce, my name is Ayyub Iqbal Trenggono. I am 12 years old, I was born in Batam, on January 26 2007. I am a class 10 RPL (Software Engineering) or known as Software Engineering. I graduated from SDN 002 Lubuk Baja Batam, and SMPS IT Imam Syafi'i Nongsa Batam. And now I am a student from IDN Boarding School Solo, and I am sure that I will stay at IDN and contribute to the activities that IDN holds.

EXPERIENCE

2022
IDN HSI | Purworejo
IDN Teaching

We teach them about application UI design, namely by creating a Travel App where this application is made to make it easier for users to book and search for destination tickets for holidays.

2022
48th Muktamar Fair | De'tjolomadoe
Material filler

At this festival we were ordered to showcase the work of IDN children from Middle School to Vocational High School, where Middle School works were in the form of Games from Scracth as well as Robotics, while Vocational High Schools were in the form of Application UI, Web UI, Websites, and MTCNA Books.
